The Glidden Aquatic Center will hold a 1-week session of swimming lessons on weekday mornings from July 7th through July 11th. American Red Cross teaching guidelines will be followed. The child must show adequate ability to perform the same functions as required by the Red Cross. A completion certificate will be issued. If the child shows their capability to perform the required functions, they will pass to the next higher level for next summer. Our staff of lifeguards will do their best to ensure that each participant learns the necessary skills to help them become a better swimmer. **You will only be notified by staff if your child's class is full, time change, or the class is cancelled.** If you have any questions, please call the City Office at 659-3010. Listen to KCIM for weather cancellations.
